Our deepest sympathies to Mrs Merryl Knapp on the death of her mother. Merryl's mother was one of the many Covid victims and we carry her and her family in our prayers.

Learner Discussions

Once a term, the Board, together with the teachers, holds a discussion of each learner's work, progress, excellence and perhaps aspects that concern us.

Thank you to all our teachers who work so hard every time to prepare everything.

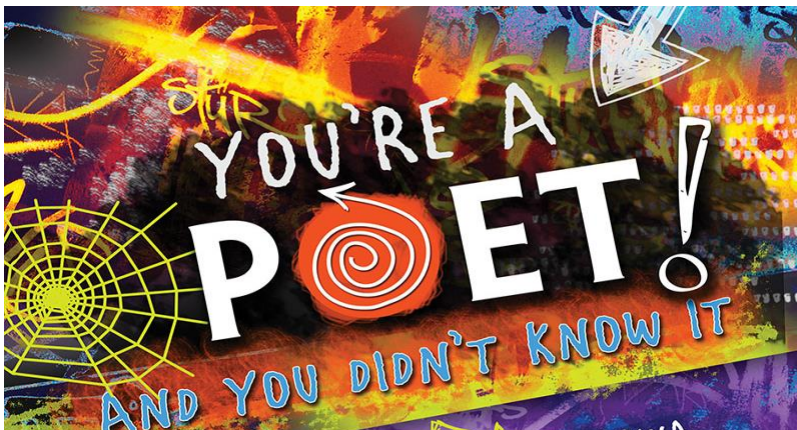

Our kids write beautiful poems!

The Stranger

I once met a stranger,
Who had a smile as cold as ice!
He had a glare which could slice and dice.
His coat was dark as night,
he could make you tremble on sight!
He claimed that he had a great might
which I hoped was not to be right.
His presence gave anyone a fearful chill!
He even had a face that could kill!
“Who are you,” was what I was going to say...
But then I thought, “Better turn around and RUN AWAY!”

Die Domme Ou Voël

Die domme ou voël
al is hy in die skool
hy kan nogsteeds nie kyk waar hy vlieg nie.
Elke middag en aand
hoor ek 'n gedoef en gekraak,
maar ek kan nie uitvind wat dit is nie.
Dan hoor ek weer 'n gekletter
en kyk na die voël teen my venster.

Matrics of 2020, results

We are incredibly proud of our 2015 Grade 7s who completed their Matric under difficult circumstances. (In 2015, Vergezicht had 13 Grade 7s, who went to different high schools. Here is the news of some of them.) Congratulations to a lovely bunch of young people! Vergezicht will always remember them.

He also received a trophy from his school. This trophy is given to the learner who stands out and inspires others.
