# Aftercare is "lekker!"

The royal queen carries the scepter!

No socks...

One bare foot and one shoe foot!

Three knights and one queen are playing chess on the porch. Just look how much they enjoy the fun and there is no TV, tablet or computer in sight!

## Natural Science in action

The Grade 7s each embarked on a practical project and manufactured "solar ovens". Well done, Grade 7's, now you can prepare food when we have load shedding again!

## Quote of the month

A person who has **good thoughts** cannot ever be ugly.

You can have a wonky nose and a crooked mouth and a double chin and stick-out teeth, but if you have **good thoughts they will shine out of your face like sunbeams** and you will always look lovely."

### Vergezicht Jackets!

So  
warm!

Fits  
perfectly!

Soft  
lining!

Water  
resistant!

Many thanks to **Sandra Botha** for making the jackets and  
**Alex and Maryke Photography** for the photo.

# "WORLD RHINO DAY"

"We have learned more about conserving rhinos."

"We learned more about the value of rhinos."

## Yellow jersey for a winner!

Congratulations to **Jade Cornelius** who took part in a 32km Open League competition on 4 September.

*A bicycle ride around the world begins  
with a single pedal stroke!*

**On Thursday, September 21, the cycling club members rode 18km and after that some were still energetic enough to perform all sorts of tricks.  
Well done, everyone!**

Many thanks to Mrs Maraisa Muller,  
the team manager.

*In Our  
Thoughts  
and Prayers*

*Our deepest sympathies to Mrs  
Sandra Botha, the manufacturer  
of all the Vergezicht uniforms.*

*We have sadly learned that  
Sandra's husband passed away on  
October 1, 2021, due to Covid.*

*We think of her in our prayers.*

Diverso came to  
install new  
photocopy  
machines at  
Vergezicht.

Many thanks to  
Keith and Casper  
who adjusted all  
the desktops and  
staff members'  
laptops so that  
they can print to  
the machines.

*Good bye!*  
*Our next Inkpot is in*
