The Inkpot

April 2022

Dear Readers,

What a joy it was to have another Athletics Day! Many thanks to all the mothers and fathers and grand-mothers and grand-fathers who came to rejoice with us.

At Vergezicht, the most important thing is not to determine who won, but to say to each of our learners: "You CAN!"

You CAN run together even if you think you are slow, you CAN sing along even if your team is losing, you CAN win without bragging, you CAN laugh together when the teachers run against the parents!

Thank you to everyone from the "CAN TEAM!"

Enjoy reading,
The News Team

Annabella Snyman & Jasmine Hirshovitz

Athletics at Vergezicht

On Thursday, March 17, we were able to have our annual athletics and forget about the nasty Covid memories.

The Blue team walked away victorious with 149 points against the Green team's well-deserved 134 points.

The Blue Team broke three records when Le Roux Pretorius also improved a record of 2015 in the Boys u / 9 80m with 13:16 seconds.

Ben Viviers and Nicholas Geldenhuys were identified as learners with good sportsmanship.

The four brave parents who won in the relay against the teachers!

Yolanda & Jan Botha (*Ferdinand Botha's parents*)

Lindy Wynne (*Jade Wynne's mom*)

José Fernandes (*Diego Fernandes's dad*)

Mason Olivier came to support his team, even though his arm was in plaster of Paris.

Jade Cornelius ran an impressive 200m for the boys U / 14 with another new record (since 2015) of 29:88 seconds. We look forward to hearing from his sports talent in High School.

***Simoné Reyneke** improved the record for u / 12 girls 150 m.(27:79 seconds.)*

*Our own WP athlete, **Ferdinand Botha**, of the green team, showed his metal in the boys u / 10 100m when he improved a record of 2015 by 14:75 seconds.*

Hi

Many thanks to:

- *Pirates Baseball Club* for renting their facilities
- *Marié Barnard* of Run Walk for Life for using their equipment
- ALL the parents who attended the day and helped.

Thank You!

Many thanks to Teacher Hanél who has been the successful main organizer of the Athletics Day, since 2014!

Vergezicht GHOLFDAG GOLF DAY

2022

Vergezicht's annual Golf Day was held on 8 April 2022 at the picturesque Somerset West Golf Club. Although everyone had to brace themselves for near gale force winds, it did not dampen the excitement of the staff, players, and sponsors.

Vergezicht would like to thank everyone involved for making this day possible. We cannot host a day like this without your support.

A big thank you to all parents who contributed to this annual fundraising project of Vergezicht. We hope to see everyone again in 2023.

A very big thank you to Teacher
Louise Reyneke who arranged everything.

Easter 2022

Our learners have, in the spirit of Easter, decorated and donated hundreds of Easter eggs to Halli Trust to distribute to children who very rarely get anything tasty to eat.

Thank you to all our children who decorated the Easter eggs so beautifully and also to our parents who donated generously!

Many thanks to Teacher Bea who organized everything.

Support Group and Resources for Parents

Well done, Wian!

Wian Messina plays rugby for Hendrik Louw Primary School's U / 13A team. He was selected for WP trials and advanced to the next stage.

Cycling news

The Western Cape cyclists' first XCO (Cross Country Olympic) race took place at Pinehurst Meridian.

Ernst Engelbrecht was the only Vergezicht cyclist to take part in this race on the 9th of April. He had to complete 4 laps of 1.9km each - 7.6km in total where he had to sprint all the time. The trail was on dirt road and grass, as well as sections that had many technical sections.

He came 12th out of 23 cyclists. We are very proud of his perseverance he has shown. He proudly walked around in his Vergezicht cycling uniform. On the bike, he is a true sportsman - he shows respect for others, shows good sportsmanship and shows that he has good endurance.

Teacher Maraisa Muller could also get the opportunity to get on her bike in the section for parents and teachers. With the upcoming races, we encourage parents to bring their bikes along so they can show off their skills on the track.
