## The Inkpot

# JUNE

# 2022

Dear Readers,  
On Friday, May 27, our children  
Got a HUGE surprise!  
**Crispy Crème Doughnuts** delivered  
a doughnut for every child in the school.

It was a sweet end to the week  
and a sweet start to the weekend!

Many thanks to Teacher Louise for  
arranging all of this.

The News Team hopes our readers will  
read the June Inkpot with just as much  
pleasure as when we feasted on the  
doughnuts!

Regards,  
The News Team

## The Tooth Fairy

Who pays for your teeth and knows where you live?  
It sounds very crazy but I never fib!  
As the Tooth Fairy sees that your window is closed,  
sorry to say but to the next house she goes.  
When your milk tooth falls out, put it under your pillow,  
the Tooth Fairy will come, leave a tip and skedaddle!  
The mystical creature has never been seen,  
her mouse builds a castle with the teeth that is clean.  
The Mouse does the boys and the Fairy does the girls.  
The tiny Teeth Pixies live in the tiny teeth world.  
So leave you window open and put the tooth under your pillow,  
If you want to get paid while helping something little.

## Looking back at 2020

In 2020, after a long period of Lockdown, school started again! But social distances had to be STRICTLY adhered to. Teacher Maraisa's learners learned how to play "shadow tag".
